- MagiCAD for Revit is compatible with Revit MEP.
- Download AutoCAD / Revit for free at:
<http://www.autodesk.com/education/free-software/all>

How to get a MagiCAD Educational license:

BORROW A LICENSE FROM YOUR SCHOOL

MagiCAD is widely used also in academic institutions. The most convenient way to get MagiCAD in use is to check whether your current school has MagiCAD licenses and borrow a license for your usage.

Contact your schools administration to find out the availability.

If your school does not have MagiCAD, please talk to your teacher about buying it now!
